## V. Museum Progress

Floors are finished except for final coat. Tom is going to get the gas turned on so that we will be able to work during the winter. It is a matter of having someone there to meet the gas people. An electrician needs to be called in for more light. Tom has called for work days for the following 3 Saturdays, 10:00 'til? A discussion ensued regarding the museum's porch. This will wait until after Hartland's roads are re-done. It may work out to have a disability ramp installed at that time.

## VI. Upcoming Events:

A. Gala or Opening

B. Potluck, we will need to find out availability of Church Hall. Food choices were discussed. It is possible that we would provide an entrée and each person would bring a dish to pass. Early February is a possibility. Carolyn Lynch will check on speakers.

## VII. Resetting Museum, Moving Artifacts to front of Museum

A discussion ensued regarding what is left to be done toward getting the museum ready for Arranging exhibits.

## VIII. Board Comments:

As above. Diana asked if we would be giving out treats from the museum porch this year. Hildy and Janet volunteered to help.
